

# American Outdoor Schools

Dear School Representative,

To assist you in preparing for outdoor school, we have designed an information packet to answer questions that are often asked concerning Outdoor Education week. This packet is organized into three sections: (A) information for you as the school's representative and/or teacher, (B) information for the counselors, and (C) information for the students.

## (A) School's Representative

- Contract Information
- Medical Preparedness
- Responsibilities of the School
- Teacher Letter
- Teacher 'What-to-Bring' List
- Discipline Guidelines
- Class Overviews
- Journal Information\*
- Adult Health/Waver Form

## (B) Counselors

- Counselor Letter\*
- Electives Information
- Recreation Time Suggestions
- Daily Schedule\*
- Equipment List
- Adult Health/Waver Form

## (C) Students

- Equipment List
- Student Health/Waver Form
- Vocabulary sheets\*

\*Found in Teacher's Manual

Our hope is that you will be well prepared for our week together so that you and your students will have the best experience possible. If you have any questions or desire further explanation, please contact us at our Office (559) 642-2435.

Looking forward to serving with you,  
*The American Outdoor School Staff*
